

Magic

20w40

Magic 20w40 is Advanced passenger motor Engine oil that provides exceptional protection to ensuring reliable lubrication even in the most demanding conditions to cars run by petrol.

P. Sizes : 500 ML to 210 LTR .

SL SM SN

Gasoline

20W50

Gasoline Engine Oil 20W50 is a Premium, high-Performance multigrade engine oil formulated from high-quality base oils and combined with advanced performance additives to provide long engine life and protect critical engine parts.

P. Sizes : 500ML to 210 LTR .

SG

ATF-TQ Automatic Transmission Fluid

High viscous Gars ATF TQ helps to protect against thermal breakdown at high operating temperatures, while still providing outstanding performance at ambient temperatures as low as -18 degrees Celsius.

P. Sizes : 500 ML to 210 LTR .

Nexa

15W50

Nexa bullet Engine oil specially designed to give superior power transfer. It is specially formulated with UNI-ADVANCE Formula which helps to maintain uniform viscosity over the entire life of the oil.

P. Sizes : 2.5 LTR to 210 LTR .

Bolt

15W40

Bolt API CI-4 Plus 15W-40 is a high-performance diesel Engine oil that helps extend the engine life of industrial/heavy vehicles and car. This advanced formula has an excellent performance in modern, high-output engines as well as older engines.

P. Sizes : 500 ML to 210 LTR .

CF-4 CH-4 CI4 CI4+

Cadillac

10W30 / 10W40

Gars Cadillac UNI-ADVANCED formulated 4T Engine oil for modern generation gearless vehicles using CVT transmission. GARS 10W-40 is formulated from high quality base oils combined with modern performance additives to help provide long Engine life and protect critical Engine parts from lubricant related failures.

P. Sizes : 500 ML to 210 LTR .

UTTO

Wet Brake Oil

Gars UTTO (universal tractor transmission oil) is specially developed from high-quality base stock oil and selected additives to provide superior performance for agricultural machinery and equipment. It is recommended for all new generation tractors with oil-immersed brakes.

P. Sizes : 3 LTR to 210 LTR .

NEXT

5W30 / 0W30

Next 5w30 is a UNI-ADVANCED Semi-Synthetic Engine oil specially designed for SUV Engines that run under heavy loads and for long hours. Next 5w30 provides excellent overall engine protection, while meeting or exceeding the latest industry performance standards.

P. Sizes : 500ML to 210 LTR .

Pump Set

SAE 40

Gars Standard pump set oil is a high-performance monograde (SAE -40) Engine oil. It is a combination of antioxidant, anti-wear and anti-foam additives to meet the lubrication needs of the pump set. It is recommended for all types of pump sets and other agricultural equipment like tractors, power tillers, harvesters etc.

P. Sizes : 1 LTR to 210 LTR .

Gelco Bike Oil II 20W40

Gelco is a high quality 4-stroke motorcycle Engine oil designed to provide reliable performance. It is specially formulated with UNI-ADVANCED Formula which helps to maintain uniform viscosity over the entire life of the oil.

P. Sizes : 946 ML / U.S. Quart

Tractor Oil 15W40 / 20W40

15W40

20W40

P. Sizes : 7.5 Ltr TO 210 Ltr

When Quality Matters...

Gear Oil

GARS EP 90 is an Gear oil specially designed by UNI-ADVANCE Formula for a front-drive vehicles.

It is a versatile product with exceptional anti-wear, anti-oxidant, rust, and corrosion protection.

P. Sizes : 500 ML to 210 LTR .

EP-90 EP-140 EP-220 EP-320

Fork Oil

Gars Fork Oil is a UNI-Advanced mineral-based suspension oil for superior damping performance in on and off-road driving circumstances. Developed by our skilled professionals using the best quality chemical compounds as per the international quality standards.

P. Sizes : 175 ML to 210 LTR .

Quick Hydro

From Synthetic to specialist oils, our hydraulic fluids cover a wide range of industrial uses. GARS hydraulic 68 is provide a long trouble free service life and will be chemically stable under severe operating conditions and Excellent protection

P. Sizes : 5 LTR to 210 LTR Above.

VG-32 VG-46 VG-68

Coolant Engine Coolant

Gars Coolant is a combination of three chemical components. Ethylene glycol (antifreeze), Inhibiting coolant additives, and Quality water Gars Coolant is 100% concentrated product. It should be used in dilution with water or as per vehicle manufacturer's recommendation.

P. Sizes : 1 LTR to 210 LTR .

Ready To Use 1:1 1:2 1:5

Super 2T

Super 2T oil is two-stroke engine oil designed to meet 2t Engine requirements. It is developed using selected base stock oil and Additives to minimize ignition spark fouling.

P. Sizes : 500 ML & 210 LTR.

Engine Booster & Engine Flush

Engine oil flush clean the Engine in minutes. Formulated to offer the best service for your vehicle engine. Engine Oil Booster and Engine treatment additives are used to improve performance of Engine oil Booster stays and protect metal parts on sliding surfaces and under pressure.

P. Sizes : 50 ML.
