## About Us:

Established in Ankleshwar, Gujarat. We, “Stallion Propack”, are one of the leading organizations, involved in manufacturing, trading and supplying a wide and comprehensive range of Pet Bottles, Pet Preforms, Pharma Bottles, Chemical Bottles, Mineral Bottles, Pesticides containers, etc. All our products are designed in compliance with international quality standards & norms, using high-grade raw material like plastic and other that are obtained from the reliable and certified vendors of the market. These products are widely acclaimed by the customers for their durability, reliability, leak-proof & unbreakable nature, lightweight and abrasion resistance. In addition to this, we provide all our products in various sizes, shapes, colours and designs at market leading prices to fulfil the demands and needs of customers. We also provide customization as per the specifications laid down by the clients.

We are backed by a modern infrastructure, which supports us to meet the bulk & urgent requirements of customers within the schedule time. Our infrastructure is installed with the latest technology, machinery, tools and instruments that are required for carrying out production process smoothly and accurately. It is managed by a team of expert professionals, who have years of experience and in-depth knowledge in their respective domains. Our professionals utilize all the available resources for making the products as per the demands and needs of customers. In addition to this, we have a team of expert quality controllers, which stringently checks and tests all finished products on various parameters to ensure flawlessness. We also have a team of warehousing experts, which store all products as per their specific category under proper labelling. Apart from this, we pack all our products using premium packaging material to ensure safety during transportation. Owing to all these above mentioned factors, we are able to win the trust of customers.

By following our quality standards continuously, we have been able to satisfy our clients that are spread all across the country. We manufacture these products in complete compliance with the defined international quality standards and norms. The offered products are also examined on well-defined quality parameters using modern testing tools and devices by our skilled quality controllers to ensure their perfectness. We are a client-centric organization and our prime objective is to achieve their utmost satisfaction by providing them with the quality assured range of products. We deliver our products in a high quality packaging material in order to ensure their safe transmission at the clients' end. Our easy payment modes, transparent dealings, client-centric approach, competitive pricing strategy and fair business policies enable us to cater a wide clientele all across the country.
