- ✓ To minimize your Business Risk
- ✓ To Protect your Values & Repute

## Our Vision

To be a trustworthy consulting enterprise providing excellent & quality services, and to always work in ethical, fair & timely manner.

## **Introduction**

PMI Consulting is an organically grown multinational organization that offers professional and customized solutions to drive business growth globally. Established in the year 2018, with nearly three years of experience we have served various industries in this short span of time.

We are a knowledge based consulting enterprise which commenced its journey from India and has since gradually expanded its operations and delivered results efficiently while meeting global quality standards. The team comprises of qualified professionals including Chartered Accountants, Company Secretaries, Fraud Examiners, Management and Law Graduates with excellent acumen and skill set besides having several enterprise teams focused to serve corporate from different geographies and origin. Our teams work with an aim to provide proven & real time solutions to help our clients businesses reach global heights.

Our aims at being proactive & meeting client's expectations by providing commercially viable & practical solutions. We constantly strive to adopt best professional practices to serve our clients better. One of our key strengths is to have an in-depth understanding of regulatory & commercial ecosystems.

## **Why PMI Consulting ?**

Combining deep industry knowledge and expertise, PMI Consulting collaborates with clients to overcome business challenges with strategic agility. By virtue of several professional engagements, we have built good network & strong relationships with regulatory authorities, experts & specialists in the field. Our relationship with clients is long-lasting and based on trust.
